

CALL FOR PAPERS

IJPMBS
International Journal of Pharma Medicine and Biological Sciences

2019 3rd International Conference on Pharma Sciences and Biotechnology (ICPSB 2019) aims to provide a forum for researchers, practitioners, and professionals from the industry, academia and government to discourse on research and development, professional practice in pharma sciences and biotechnology.

ICPSB 2019 will be held in Langkawi, January 12-14, 2019. It is one of the leading international conferences for presenting novel and fundamental advances in the fields of pharma sciences and biotechnology. It also serves to foster communication among researchers and practitioners working in a wide variety of scientific areas with a common interest in improving pharma sciences and biotechnology and related techniques.

ICPSB is also the annual meeting of IJPMBS Editorial Board. Welcome scholars and researchers working in the field of pharma sciences and biotechnology from all over the world to attend the conference and share your experiences and lessons with other enthusiasts, and develop opportunities for cooperation.

Publication

Submissions will be reviewed by both the technical program committees and IJPMBS editorial board, and accepted papers will be published in the **International Journal of Pharma Medicine and Biological Sciences** as a special issue, which will be indexed by Embase; ProQuest; International Committee of Medical Journal Editors (ICMJE); Health sciences library (NYU); HINARI Access to Research in Health Programme; etc.
